

Master Syllabus

ALH 1132 - Heartsaver First Aid, CPR & AED

Division: Health Sciences

Department: Allied Health

Credit Hour Total: 1.0

Lecture Hrs: 1.0

Date Revised: March 2017

Course Description:

The American Heart Association (AHA) Heartsaver First Aid with Cardiopulmonary Resuscitation (CPR) and Automated or Automatic External Defibrillator (AED) course is designed for the individuals who are not working or planning to work within a healthcare environment. The course provides students with training in basic first aid procedures, including the first aid skills recommended by OSHA, CPR and AED. Students who complete the course qualify for the AHA Heartsaver First Aid with CPR and AED course completion card.

General Education Outcomes:

- Critical Thinking/Problem Solving Competency
- Values/Citizenship/Community Competency
- Oral Communication Competency
